

Vents d'espoir
de la Vallée du Saint-Laurent Complexe

Maison Martin-Matte – Pavillon Angélique et Benjamin

ACCESSIBLE HOUSING. A PLACE TO CALL HOME.

The Vents d'espoir de la Vallée du Saint-Laurent multipurpose complex houses the Maison Martin-Matte – Pavillion Angélique et Benjamin. It offers 42 accessible residential units for people aged 18 to 55 living with a head injury or motor impairment. Combining housing facilities with an activity centre, the Complex provides an actual living environment that fosters both individual independence and social involvement.

EVERYTHING UNDER ONE ROOF:

24/7 SERVICES
Integrated and on-demand services

DAY CENTRE
An interactive, stimulating setting

THERAPEUTIC POOL
To stay active and support well-being

ACCESSIBLE FITNESS ROOM
Facilities designed with residents in mind

PARATRANSIT
For easier travels

ACTIVITIES AND WORKSHOPS
Engaging activities like cooking

COMMUNITY SPACES
For socializing and hosting families

CONVENIENT LOCATION
Easy access to green spaces, a park and a bike path near the CLSC and main services

INNOVATIVE DESIGN

One of its kind and noted for exceeding universal accessibility standards, the Complex is the only specialized facility in Quebec where families can live together with their housed loved ones.

UNIVERSAL ACCESSIBILITY
The building is designed to exceed accessibility standards and conveniently meet the needs of its residents.

LIVING WITH A LOVED ONE
In some units, relatives can live with an impaired loved one, helping to maintain family life and the ties that matter most.

IS THIS FOR YOU OR FOR A LOVED ONE?

YOU MAY BE ELIGIBLE IF YOU:

- ✓ are living with a head injury or motor impairment (multiple sclerosis, muscular dystrophy, paralysis, ataxia, etc.);
- ✓ are aged between 18 and 55 when the lease agreement is signed;
- ✓ are compensated by a disability benefits provider (SAAQ, CNESST, IVAC) or have access to private funding;
- ✓ are able to move around and express your needs on your own, with or without technical aids;
- ✓ are open to taking part in community life;
- ✓ agree freely to live at the Complex.

HOW TO APPLY?

1

COMPLETE THE FORM.
Submit your application online using the QR code or link provided.

2

YOUR APPLICATION WILL BE REVIEWED.
A member of our team will send you the full application to complete.

3

YOUR APPLICATION WILL BE REVIEWED.
Each application will be assessed against the Complex's eligibility criteria.

SUBMIT YOUR APPLICATION BY DECEMBER 1ST, 2026.

Future residents are expected to move in starting July 2027.

Scan to submit an application.
